

PACKING LIST

FOR SELECTIONS, TRAININGS AND MISSIONS

General notes:

- The packing list contains our standard equipment, which must be observed completely and on every mission. Please note that all visible layers of clothing must be kept in muted colours or olive.
- Remember that we operate independently of the weather. Always pack your equipment waterproof!
- Explanation **DD** (Deployment Days): Marked items must always be brought along for each deployment day and thus multiplied by the number of days of presence.

All equipment marked with (*) can also be borrowed from the "[TAF Lending List](#)". This is free for the first action. You can also find suitable and cheap equipment in our [shop](#).
